Letters of Thanksgiving greetings in the United States in 2022

America's Thanksgiving Day is a day marking the anniversary of the founding and building of the great United States of America. Thanksgiving is held every year to remind generations of Americans to understand American history and be grateful to the heroes who sacrificed themselves to build America.

The Thanksgiving feast includes the main food: Turkey, French fries or mashed potatoes, and wine. Everyone prayed in thanksgiving and then enjoyed a meal together and blessed each other (Acts 2:42-47)

During this year's Thanksgiving, let's do our best to ease our emotional burden by being grateful to our friends, thanking our parents, having fun with our neighbors, and forgiving those who have hurt us. Let us all work as God-fearing Vietnamese Americans toward a more peaceful, united, and stable society in the name and authority of our Lord Jesus Christ.

We thank the Lord our God for His love for us, for our memories, our food, and the blessings of our country and people. He called and blessed the VPEF through the mission of evangelizing the peoples of Vietnam to bring fruit and glorify Him,

On behalf of the Pastors and Evangelists of VPEF, the Association. Send to your servants, God's servants, your greetings of thanksgiving for the blessings and peace you have bestowed on the Vietnamese people in 2022 (Psalms, 23:1-6, 121:1-8)
